## THE INTERNATIONAL COLLEGE

*Cross-disciplinary thinking for an interconnected world*

THU's International College is an innovative liberal arts-based college that aims to redefine how students see and interact with the world. In striving to achieve this vision, the International College is committed to providing a nurturing English immersion environment, interdisciplinary curriculum, experiential learning, and multi-cultural experiences.

1<sup>ST</sup>

Undergraduate English-immersion program in Taiwan

34

Countries represented in IC students and faculty

### CHINESE STUDY (學中文!)

Take intensive Mandarin Chinese classes in a Chinese-speaking country

### ENGLISH INSTRUCTION

IC courses and general education requirements all taught in English

### INTERNATIONAL ENVIRONMENT

Students and instructors from 30+ countries and US American mentors to assist students

### STUDY ABROAD OPPORTUNITIES

Exchange programs, faculty-led programs, and dual degree programs (2+2, 3+2, & more) all available

## Global Leadership Curriculum

At the heart of the International College is the Global Leadership Liberal Arts Curriculum. Through coursework, guest lectures, and events and activities in an international atmosphere we aim to enhance students' international awareness and global vision while building a multi-faceted, factual, and first-hand understanding of global trends in business, economics, culture, and the arts.

### GLOBAL LEADERSHIP PROGRAM CORE VALUES

- Awareness of current events
- Engagement with the world
- A self-critical attitude
- Leadership and confidence

# 3 PROGRAMS Endless Possibilities

IDP offers a 1+3 program, encompassing one year of intensive Chinese courses along with other essential general courses, followed by three years of focused study in a chosen major from a selection of over 30 departments at Tunghai University. This program is tailored for individuals aspiring to attain academic excellence within a dynamic international community.

## IDP INTERDISCIPLINARY DEGREE PROGRAM

## IBA INTERNATIONAL BUSINESS ADMINISTRATION

The International Business Administration (IBA) program is an all-English undergraduate program that introduces students to important themes in global business and leadership through a diverse curriculum with a focus on global awareness.

The Sustainability Science and Management (SSM) program teaches students how to research and resolve sustainability issues as students study the intersection of social, economic, and environmental factors in an all-English program.
